Dear Mr. Lustre:

This will acknowledge receipt of your letter, dated 29 December 1947, resubmitting the Supplementary Roster of Squadron 25, Battalion 3, Regimental Command 8, Hukbalahap, for recognition.

It is desired to inform you that a special press release from Public Relations Office, Headquarters, AFWESPAC, dated 1 February 1946, announced the closing date of 15 March 1946 for the acceptance of unit applications for recognition. It must be clarified that the closing date of 31 December 1947, announced by the Recovered Personnel Division of this headquarters, applied to the filing of claims for arrears in pay for military service rendered in the USAFFE or in recognized guerrilla organizations. This closing date and several subsequently announced closing dates did not apply to any unrecognized guerrilla personnel.

Inasmuch as the Supplementary Roster of Squadron 25, Battalion 3, Regimental Command 8, Hukbalahap, which you have submitted in your letter of 29 December 1947, was previously submitted by your commanding officer and was returned to him for reason of late submission; and as there has been no extension of the closing date of 15 March 1946 for the submission of unit applications for recognition, it is again necessary to return the roster of that unit.

Sincerely,

1 Incl

Mr. Felipe C. Villas

Dear Mr. Villas:

This will acknowledge receipt of your letter, dated 8 April 1947, requesting that the supplementary roster of Squadron 25, Battalion 3, Regimental Command 8, Hukbalahap, be included on the recognized roster of the Dimasalang Unit.

Special press release from Public Relations Office, AFWES-PAC, dated 1 February 1946, stated that no applications for recognition of guerrilla units would be accepted by this headquarters after 15 March 1946. The recent press release from Public Relations Office, PHILRYCOM, further announced the closing date of 15 March 1947 for the submission of individual claims for non-casualty recognition.

It is considered that all concerned had ample opportunity to prepare unit application for recognition by 15 March 1946. Your request for the recognition of the supplementary roster of Squadron 25, Battalion 3, Regimental Command 8, Hukbalahap, is considered to be the same as a unit application for recognition. As it was made in your letter dated 8 April 1947, it does not comply with the above closing date and therefore cannot be accepted for consideration.

This decision does not preclude submission of claims for casualty recognition by those individuals who are qualified and feel justified in entering such claims. Upon request from interested individuals, appropriate forms will be forwarded.

Returned herewith is the supplementary roster of Squadron 25, Battalion 3, Regimental Command 8, Hukbalahap.

Sincerely,

CHRONOLOGICAL HISTORY OF SQUADRON 25
 HUKBALAHAP
 Battalion No. 3, Regimental Command No. 8
 SAN ANTONIO, NUEVA ECIJA

- 29th May 1942- The Japanese Imperial Forces led by a handful of Ganaps raided the sitio of Bentug in the barrio of San Francisco, San Antonio, Nueva Ecija and surrounded all the houses in the said place. All the people were assembled irrespective of sex and age and at the instigation of the Ganaps the following persons were separated from the group and in the presence of all were bayoneted and killed:
- | | | |
|--------------------|-------------------|---------------------|
| 1. Jacinto Julian | 2. Fabian Cabrera | 3. Dominador Javier |
| 4. Apolonio Juatco | 5. Daniel Soriano | 6. Unidentified |
- These barbarous acts committed by the Japanese were deeply resented by the people.
- 21st July 1942- Again, while the above atrocities were still fresh in the minds of the people, another inhuman and barbarous act was committed by the Japanese soldiers in sitio Bulacan in the barrio of San Francisco, San Antonio, Nueva Ecija. The following persons were tied in two groups:
- | | |
|-------------------------|------------------------|
| <u>1st Group</u> | <u>2nd Group</u> |
| 1. Arcadio Buenaventura | 1. Mrs. Vicente Urbano |
| 2. Arsenio Basa | 2. Mrs. Viesca |
| 3. Reyes | 3. A girl, 4 yrs. old |
- These people were tortured, beaten and thrown into a ditch and burned alive. The Japanese soldiers and Ganaps also burned fifteen houses at the same time and looted all their personal effects. With all these atrocities and barbarous acts of the Japanese the people voluntarily banded together, armed themselves and constituted themselves into a guerilla unit to be known later as SQUADRON 25, Battalion 3, Regimental Command No. 8, HUKBALAHAP, under the command of Capt. Antonio Paz y Carlos, alias Datu Talin, with 165 men who were fully armed.
- 9th Aug 1942- A platoon of Japanese soldiers with some members of the Ganaps raided the sitio of Celumpang in the barrio of San Jose of this municipality. They encountered Squadron 10, Hukbalahap, under the command of Major Fajardo. In the meantime, Squadron 25 deployed along the road leading to barrio San Francisco and took battle positions waiting for the return of the Japanese and the Ganaps. When they retreated to barrio San Francisco, Squadron 25 and other Squadrons of the Hukbalahaps opened fire. The Japanese soldiers and Ganaps were completely encircled in the sitio of Minanglo, barrio of San Francisco. Realizing their predicament, they entrenched themselves in the house of Don Julio Gallego and made a desperate attempt to defend themselves. In this encounter numerous Japanese soldiers and Ganaps were killed and arms of various types were captured.
- 10th Aug 1942- The Japanese soldiers and Ganaps were completely encircled in the sitio of Minanglo, barrio of San Francisco. In this encounter numerous Japanese soldiers and Ganaps were killed and arms of various types were captured.
- 3rd Sept 1942- The Japanese soldiers and Ganaps raided the barrio of Lawang Cumpang and encountered Squadron 25 therein. Fierce fighting took place but because Squadron 25 was outnumbered, they were forced to retreat after killing five Japanese soldiers. Casualties on the side of Squadron 25 were fifteen men.
- 25 Oct 1942- Squadron 25 and another Squadron known as Rosali were in barrio Rajal, Sta. Rosa, Nueva Ecija. They were raided by Japanese soldiers. After a short skirmish they retreated to Aliaga, Nueva Ecija. No casualty was sustained therein.
