Dear Lieutenant Abu:

This will acknowledge receipt on 8 March 1947 of the Record of Activities and Roster of Civilian Liberation Volunteers forwarded to this office by Colonel Terry "Magtangel" Adeveso.

Patriotic civilians the world over, have freely given their services to volunteer organizations and rendered valuable services in their free time to promote the safety of civilian populations and protect important installations during the recent world crisis.

The thanks of their fellow men, and the satisfaction of a job well done are the gratuities extended to them by a grateful world.

Yours and all the other similar organizations throughout the world should derive great personal satisfaction from the many part-time and off-duty jobs you have undertaken. It is indeed fortunate that a people in time of national crisis will cooperate wholeheartedly for the common benefit, without thought of personal remuneration or gain.

In view of the fact that there is no evidence that the individuals listed in the roster of Civilian Liberation Volunteers have been performing full-time work as a military unit, to the exclusion of all civilian pursuits, this headquarters cannot favorably consider any request for recognition or remuneration.
