Dear Mr. Becerro:

This will acknowledge receipt of your letter, dated 15 December 1947, repeating your request for recognition of "The Filipino Patriots".

You were informed in our letter of 10 November 1947 of the closing dates for the acceptance by this headquarters of all types of claims for guerrilla recognition. Our letter further emphasized that it is considered that all concerned had ample opportunity to prepare and submit applications for recognition prior to these closing dates. In view of these facts, your request for recognition of the Filipino Patriots could not be accepted.

It is desired to inform you that your reasons for repeating your request for recognition of the Filipino Patriots are insufficient to justify an extension of the closing date of 15 March 1946 for the acceptance of your claim. Therefore, it is again necessary to inform you that your request for recognition of the Filipino Patriots cannot be accepted.

It is considered that no useful purpose will be served by any further correspondence regarding this matter.

Sincerely,

M A N I L A

Sir:

I received your response of my request of the recognition of my unit "The Filipino Patriots" on the 15th instant of December 1947. In view of it, I regret for the following reasons:

a. That the closing dates for the acceptance of unit recognition ^{as} 15 March 1946 and for the acceptance of requests for individual non-casualty recognition, etc. as of 15 March & 31 July 1947, respectively as stated, is not very well circularized in our place. Just after the liberation, I was teaching in Panalsalan Primary School which is the remotest part of Surigao, hence I was not informed. I came to know only and requested its recognition immediately when I reported for duty in the Provl Hq, MPC (AP) of Surigao Prov. However, I admit that I am late in requesting for its recognition but I am proud to say that I have the right to claim for it for really this unit had existed. I can refer you to Major Caferino F. Garcia who was our Regimental Commander in the guerrilla. At present he is the Provl Comdr. of the MPC (AFP) of Ilocos Sur. ~~Also~~, Lieut. Simeon Somera who signed as Battalion Comdr. of this Roster become Captain and C.O. of the 93 MP Co. of Surigao. Lieut. B. Chato who signed as EX-Officer is still in the active service in the MPC (AFP) of Surigao Prov now. Please inquire to the above-named officers as to the truth and genuine existence of such unit.

b. Par. 2, of your letter states that a thorough search of the records of your headquarters fails to reveal any record of a unit by that name. Naturally it is true that there is no record of "Filipino Patriots" in your Hq. For it is not included in the recognized guerrilla unit. That is why I am requesting for its recognition. Some of the EM of this Roster do not appear in the 10th MD for they were discharged on May 1943 prior to the recognition of the 10th MD on June 1, 1943.

c. I was a guerrilla organizer and this "Filipino Patriots", was the name of my unit at the beginning. Later on this was fused to many stages of units. The ~~time~~ name of my organization from October 1, 1942 to May 31, 1943 or the dates not recognized is the main object of this request. Majority of the EM ~~in~~ this Roster were discharged on May 1943 due to food shortages. They were honorably discharged supported with pertinent papers, hence in line of duty. Therefore, they deserve for recognition.

Sir, I work for the recognition of this unit not for my interest. I am a regular EM and a guerrilla officer who is carried in the 10th MD. But as a citizen, I am helping the present administration of our government to avoid discontent of these masses. These guerrilla EM really had sacrifice, some lost their lives, lives of their families and precious things for the enemy hunted them because of their guerrilla activities.

I know just now about the dead lines of recognition, but I also know that the higher authorities can adjust matters depending upon the situations.

Request further, for its recognition.

Very respectfully yours,

MARINO C. BECERRO

Dear MR. Becerro:

This will acknowledge receipt of your letter, undated, requesting recognition of "The Filipino patriots."

A thorough search of the records of this headquarters fails to reveal any record of a unit by that name. A special press release from Headquarters AFWSFIAC dated 1 February 1946 announce the closing date for the acceptance of unit requests for recognition as of 15 March 1946, over eighteen months ago. The announcement received wide publicity throughout the Philippines by press and radio and thru municipal agencies. Furthermore, the announced closing date for the acceptance of requests for individual non-casualty recognition and for casualty claims of all types were 15 March and 31 July 1947, respectively. It is considered that all concerned have had ample opportunity to prepare and submit applications for recognition prior to these closing dates.

Presumably the men to whom your letter refers are recognized with the 10th Military District. Revision of the initial recognition date of this unit to 16 September 1942 is considered to constitute just and adequate acknowledgement of all military services rendered.

We regret therefore to inform you that your request for recognition of "The Filipino patriots" cannot be accepted.
