SUBJECT: SABOTAGE REPORT (Lt. M. C. Hawley)

TO : C.O. 1st RECN. BN. (Spec.)

Our Party left Wendi Island on 11 Oct. '44 on the U.S.S. NARWAL for the Philippines. The passage there was highlighted by a bombing by an American plane and later by the presence of two Jap destroyers off Tawi Tawi while attempting to unload. We arrived in the vicinity of TOLONG, NEGROS on the night of 19 Oct. '44 and was met by Lt. Col. Abcede, D.C. of 7th M.D.

Due to the time factor as we were already aware of the Invasion coming within a few days, we concentrated on training a groupe of men so as to get all the explosives into the field and cover as much territory as possible in the shortest time. On 25 Oct. '44 we dispatched 3 separate groupes to cover territory in the South - Central and Northern areas of Negros. The men of our Demolition Unit were all assigned to accompany these 3 parties into the field so as to supervise and control all demolition work accomplished. Both Lt. Schmaltz and myself went into the field to supervise work and train additional men in the forward areas. Our objective was to work from the south, Dumaguete-Bais area all the way north until the complete circuit had been covered.

During our 6 1/2 months of operation in Negros we have received 3 shipments of Demolition supplies from GHQ. We did not receive any rations of food, clothing or cigarettes, but lived off the country. You will find attached the folder entitled SABOTAGE REPORT consisting of 11 pages of verified sabotage missions, as well as the financial report covering our mission.

I take this opportunity to express the appreciation for the excellent work accomplished by the members of this groupe and recommend them highly for daring, courage and results, namely, SGT. MANUTA * SGT. GARCES - SGT. QUEZADA - SGT. ANTIKOLL.

1. Reference is made to C/N's dated 2 July 1945 and 19 June 1945, subject as above. Par 3 of the latter C/N suggests an officer be sent to various guerilla headquarters to obtain outstanding accounting records covering funds dispatched to them. Lt. Col. Lewis Brown, C.O., 1st Reconnaissance Bn., offered the services of 1st Lt. Maynard C. 2. Guerilla headquarters which could be contacted are as follows:

<u>Guerilla Headquarters</u>	<u>Account Balance</u>	<u>C/N Reference</u>
Paralta	₱109,811.00	2 July 45 Par 2b 19 June 45 par 1

3. In addition to references above, Para 2 & 3 of C/N dated 17 March are again called to your attention. It is strongly recommended that immediate action be taken to clear the above accounts.
