GROUP NO. S.18

<u>Army No.</u>	<u>Rank</u>	<u>Name</u>	<u>Classification</u>	<u>Remarks</u>
01644722	2nd Lieut	COHEN W.	Very Good	Excellent knowledge of explosives. Good leader and should be able to handle any demolition or Sabotage work. Would make an excellent instructor. ✓
39178333	Sgt	BALDOE F. A.	Good	A sound practical man. He is very keen and handles men well. Should make a good leader. ✓
39290806	T/Cpl	SOLIVEN L. G.	Good	Has a good all round knowledge of explosives and should manage to do any work. He would <u>NOT</u> , in my opinion, make a good leader. ✓
39337333	Pvt.	ANGL B.	Good	A good solid student. Has the knowledge and the ability to improvise when necessary. Will make an excellent saboteur. 2
39490189	Pvt.	AGUIRRE B. G.	Fair	This student has a fair knowledge and can do any job when told what to do. He would be a good party member on demolitions, but would <u>not</u> advise that he be sent to do a job individually. 5
39380341	Pvt.	BERNARDIS F.	Good	Will make an excellent member of a demolition party. Has a good all round knowledge and is very keen. 4
3944329	Pvt.	DESPY A. E.	Very Good	This student has a very good knowledge and is the type that can be depended upon to do any individual task. 1
39510378	Pvt.	LOHENDINO M. L.	Good	This student is good, but not outstanding. He will make a good party member. 6

Army No	Rank	Name	Classification	Remarks
33737566	Pvt.	MARQUEZ V.V.	Good 3	This student is very keen and has a good practical knowledge. Should do well in any demolition group.
337405528	Pvt.	PILLAR M.A.	Fair 7	This student is strong in theory, but is inclined to fall down on practical work. Should do all right under a good leader. In my opinion he is too old for this type of work.
