(22 Dec 43)

Subject: Transmittal of W.D., A.G.O. Form 66-1  
for Efficiency Rating.

From: Asst AG, GHQ

To: Deputy Controller, AIB Date: 22 December, 1943

Inclosed is W.D., A.G.O. Form No. 66-1 (Officer's and Warrant Officer's Qualification Card) of Lieutenant Colonel Stephen M. Mellnik, O18754, Coast Artillery Corps, relieved from Miscellaneous Group, USAFFE, and duty with AIB, assigned this headquarters per paragraph 7, Special Orders No. 307, this headquarters, 19 December 1943. It is requested that the columns "Type of Duty" and "Manner of Performance" under Item 15 be completed for the period 30 Jul 43 to and including date of departure, entry authenticated by initials of reporting officer and card returned to this office for further disposition. The manner of performance rating should be indicated by "SUP" for superior, "E" for excellent, "VS" for very satisfactory, "S" for satisfactory, and "U" for unsatisfactory. If Lieutenant Colonel Mellnik has performed more than one principal duty since last period for which a rating was entered on card, all principal duties should be indicated together with the duration and manner of performance of each.

WD, AGO Form 66-1 of Lieutenant  
Colonel Stephen M. Mellnik.

R. W. B.

From: Deputy Controller, A.I.B. To: Asst. A.G., G.H.Q. Date: 27 December, 1943.

1. Returned herewith is WD, AGO Form 66-1, referred to in basic communication.

2. It is not accomplished.

3. Although, as the record accurately states, Lt. Col. Mellnik was assigned for duty with Allied Intelligence Bureau, his total performance of duty at this Bureau has been confined to only a few hours, owing to the necessity for his presence in various G.H.Q. offices for prolonged report-making purposes and in America for similar reasons and recuperation. Since his return from America a few weeks ago, Col. Mellnik has been engaged in the Office of the A.C. of S., G-2, G.H.Q. preparing studies and reports almost continuously.

4. I therefore feel that I am not qualified to pass upon this officer's characteristics and that I should not attempt to accomplish the Form 66-1 in all fairness to him and the record.

1. Recommend that for the purpose of regularizing his present duties, Lieut. Colonel STEPHEN M. MELLNIK, O-15754, CAS, be assigned to G-2.
2. This officer while assigned to this Section has, since his return from the United States, neither reported, nor made himself available, for duty herewith, but is understood, to the contrary, to be regularly engaged in the office of the Asst. Chief of Staff, G-2.
3. Following officer's evacuation from the Philippines, he was assigned to this Section for the purpose of special interrogation desired by the G-in-C. Since his return from the United States, however, this Section has no further requirement upon his service and no objection to the reassignment recommended.

P.H.S. Chief of Staff 5 Aug 43

1. Herewith is appended statement of Lt. Col. S. M. MELLNIK, CAC, embracing:

- a. Coast Artillery operations, Philippine Islands, 18 December 1941 to 6 May 1942.
- b. Experience of Lt. Col. MELLNIK from 6 May 1942 to 4 April 1943.
- c. List of officers known to be prisoners of War.

It is submitted in draft form to permit the further development of any phase thereof desired.

2. Also appended are the statements of Commander HOOK and Major DYESS for decision as to whether it is desired that the last paragraphs in each be retained or deleted, in view of decision of the G-2 against the use of such statements for which originally contemplated. The last paragraphs in reference were developed specifically with such use in mind and would seem now to serve no useful purpose -- possibly should be deleted if the statements are to be merely referred to the War Department in the normal course of administrative procedure.

3. Decision is also requested as to what parts of the various statements, if any, are to be referred to the War Department. In this connection, G-2 comments that "under existing orders (G-2) is required to forward reports of all escapees to the War Department in triplicate." As the statements in reference were taken for a specific purpose not now for application, and as all officers are to be available to the War Department for such interrogation as it may desire, it would appear within your discretion to determine whether the statements be forwarded in whole, in part or not at all.
