Paraphrase of message 597 24th from WD.

Chinese Police report 38,000 Filipinos organized in Puppet Police Bureau by Louis Gustin. Source graded as fairly reliable. Help from the Bureau should be expected when US troops return. Gustin reported to be Deputy Director Mamila Police Bureau. General Stilwell requests information on the person and the name. Suggested that name may be Major Augustino Gabriel (was actg Chief Info Div, Constabulary) a strongly pro-American. WD requests we verify information.
