G-2

23 FERTIG

In re enemy dispositions at LIANGA.

See map attached for position of LOS ARGOS. Note that position is well inland toward the AGUSAN. Relatively small force employed may suggest enemy's purpose is to cut communication with the East coast (LIANGA Bay) rather than to move against FERTIG's position itself at this time. This enemy East coast move was to be expected once the N.E. monsoon shifted in early April.

Action taken:

Developments are being watched closely with supply plans held flexible.

Action recommended:

None.
