The District Engineer
 Cebu City

Sir:

I have the honor to return herewith the unpaid payrolls of the USAFFE Defense Projects undertaken before the enemy invasion in 1942 under the supervision of the District Engineer of Cebu. These payrolls were turned over to me in January, 1943, in my evacuation place in Barrio Canasujan, Carcar, by Mr. Andres Piedad of that office who was then acting as paymaster who said he had no more time to pay them because of enemy penetration in the second week of April, 1942. The return of these payrolls could not be done earlier for obvious reasons and it was only yesterday when I was able to recover them.
