SUBJECT: Pertinent Information concerning Iloilo Dock & Engineering Company, Inc.

TO ; CO, Recovered Personnel Detachment, Civilian Personnel Section, AGKD, 2d Floor, T & C Bldg, APO 500 Manila

1. Transmitted herewith is a payroll, an affidavit, and invoices for services and labor rendered to the USAFFE, by Iloilo Dock & Engineering Company Inc.

2. To the best of our knowledge said company was not commandeered by USAFFE, but did contract work on vessels of the USAFFE, as enclosed true copies of invoices will substantiate. The superintendent, Mr. Henry, and Mr. Kinnis, who were in charge at that time are now dead, and so far our investigation, has not disclosed anyone who could be in a position to determine whether the Iloilo Dock & Engineering Company Inc. had been commandeered by USAFFE.

3. The enclosed payroll is a complete list of men who worked for USAFFE on a salvage job on the "Panay", which was sunk at Maricolum. As verified by Mr Baigrie of Visayan Stevedore Transportation Co, these men were taken from their payrolls and placed on the payrolls of USAFFE. However, for administrative purposes, the Visayan ~~Fran~~ Stevedore Transportation Co did keep the time records and payrolls.

4. Enclosure three is a list of personnel that has been processed and in the opinion of this office is not eligible under the Missing Person Act.
