22 MAY 1967

Mr. Pablo L. Tawatao  
Post Commander, 1st Tarlac Chapter  
East Central Luzon Department  
Paniqui, Tarlac, Philippines

Dear Mr. Tawatao:

I refer to your request for extension of guerrilla recognition during World War II.

The extension of official guerrilla recognition to persons or organizations was a function of the Guerrilla Affairs Division, Philippines-Ryukyus Command. When that Division deactivated 30 June 1948, the guerrilla recognition program terminated. Subsequent to that date no authority exists under which the Department of the Army may alter, amend or modify previous decisions.

In view of the above, there is no authority whereby favorable action may be taken on your request.

Sincerely,

B. E. BABCOCK  
Colonel, AGC  
Commanding

Mr. Teofilo H. Talavera  
174 P. Burgos Avenue  
Cabanatuan City, Philippines

Dear Mr. Talavera:

Reference is made to your letter of 30 July 1956, inclosing a roster of the Fil-American Irregular Troops, Central Luzon USAFFE Guerrilla, Folsom (99) Guerrilla Unit, Antonio Division, requesting recognition of that guerrilla organization.

Consideration cannot be given to your request for guerrilla recognition inasmuch as the guerrilla recognition program terminated on 30 June 1948.

Under this program a period of more than three years was allowed for guerrilla units and members of such units to claim official recognition. This program originally contemplated a termination date of 30 June 1946; but this date was extended to 30 June 1947 and finally to 30 June 1948, concurrently with the lapse of the appropriations, "Expense, Army of the Philippines". During this period the widest possible publicity was given this program throughout the Philippines.

The Army organization which was established in the Philippines for the purpose of acting on these claims for guerrilla recognition has been discontinued and no organization now exists for investigating and rendering decisions in these cases. The Army's policy, which has been applied without exceptions, is to refuse to consider such claims unless they were received prior to 30 June 1948. Subsequent to 30 June 1948 no agency has had the authority to alter, amend or modify previous decisions rendered by the Guerrilla Affairs Division.

In view of the foregoing, I know of no other action that may be taken.

Sincerely yours,

*Wacker*
