TO BE SIGNED BY ALL PATIENTS ON ADMISSION TO THIS HOSPITAL

All patients are urged to deposit their money and/or valuables in the Patients' Fund.

Money and valuables deposited in the Patients' Fund become the responsibility of the hospital.

Money and valuables not deposited in Patients' Fund are the patients responsibility, and the hospital will not be responsible for loss or theft of same.

The effective prosecution of the war and the safety of military personnel demands that NO information reach enemy ears. Discussing troop movements, operations, strength, tactics, equipment, and installations observed, are vital secrets, upon which the security of our troops depends. Any of this information reaching the enemy may result in needless loss of life, equipment, time, and endanger future operations. For your own safety and that of others it is necessary that you refrain from discussing military information.

This is to acknowledge that I have read the above instructions and that I understand and I am aware that disclosure of military information renders me liable to disciplinary action.

I have read and am familiar with the ward rules.
