with Col Everett Warner organized what was later to be designated as the 14th Infantry, USAFFE, the first organized unit to engage in guerrilla activities in the Philippines. When Bataan fell, Col Warner left the command to Col Nakar who was by then known as the guerrilla head of the Cagayan Valley. Corregidor fell; the Japs resorted to all possible means of effecting his surrender by dropping leaflets of Gen. Wainwright's order and personal appeal to him to surrender, with grand promises of his safety and mercenary assurances of his freedom, tempting fabulous financial rewards and grant any government positions of his choice, but instead he intensified operations against the enemy until captured on Sept. 29, 1942. While a prisoner, he never bowed down to the Japs, his faith and loyalty to the United States Army never failed and his resolve to stick to his oath of allegiance remained unshaken and is manifested in a speech to the public at Echague, Isabela while under custody when, instead of appealing to the populace to cooperate with Japan as was the order of his captors, he defiantly denounced the cruelties, abuses and brutalities of the Japs, and urging the people to continue to fight assuring them that the forces of liberation will soon be back. Despite the daring denunciation, the enemy persistently offered his freedom if he would sign the surrender papers, but all their efforts failed when he said bluntly, "I swore allegiance to the United States of America and my country and I cannot transfer my allegiance to Japan." Reliable information is to the effect that he was brought to Fort Santiago and that after all efforts to make him sign and accept the terms imposed on him by the enemy failed, he was promptly executed.

Quines, an officer and a gentleman, when he was confronted with an offer that would have spared his life. With this violent opposition the Garrison Commander took reprisal. CAMP SPENCER, La Union
12 April 1946

SUBJECT: AUS Personnel, 2nd Bn and Combat Co, 14th Inf Regt, PA.

TO : The C. O., 2nd Inf Div, PA,
Camp Spencer (Attn: G-1)

1. For your information, I am submitting herewith a list of the 2nd Bn and Combat Co, 14th Inf, PA personnel who may have acquired AUS status by virtue of Gen MacArthur's radiogram from Australia to Col Guillermo Nakar, C.O., 14th Inf, on 12 July 1942.

2. The sources of this list of persons are from rosters of officers and troops, 2nd Bn and Combat Co, 14th Inf presently on file of the 14th Inf Section, your headquarters for the months of May, June, July, and August 1942.

3. No documents could be obtained presently in the files of the 14th Inf showing that the personnel in the attached list were inducted into the Army of the United States.

4. From my personal knowledge, I have not known of any induction made by the late Lt Col Manuel P. Enriquez.

5. The reason, I believe, why Col Enriquez was unable to do so was that, at the time he received the authority from Col Nakar to induct the men, his CP was far way off from the men of the 2nd Bn and consequently he was unable to make the trip to the battalion area on account of intensive enemy mopping-up operations.

6. Some of the men, however, were inducted by me when Col Enriquez verbally delegated me the authority on 1 October 1942 at BAMBADI, Pingkian, Nueva Vizcaya. Again, no copy of this induction is presently available in the files of the 14th Inf as most of the 1942 records were lost or destroyed by causes beyond our control. Some of the surviving members may have retained their own copies, but we are presently unable to pool them together and collect their own copies.
