Handwritten text on a piece of lined paper pasted onto a larger sheet of aged paper. The text is mostly illegible due to fading and the quality of the scan, but some words and numbers are discernible. The text appears to be a list or a set of instructions, possibly related to military or administrative matters. Some legible fragments include "Camp 2080", "Camp 2081", and "Camp 2082". There are also some numbers and possibly names or titles, but they are too faint to transcribe accurately. The paper has a rough, torn edge on the right side.
