A.P.O. 500,
December 17, 1942.

SUBJECT: List of Officers in Harbor Defenses, Manila Bay, on April 30, 1942.
TO : The Adjutant General, Washington, D.C.

1. Pursuant to War Department Radio No. 4554, December 16, 1942, there are inclosed four copies of a list of officers, army nurses, and warrant officers. The original list was brought from Corregidor by Colonel Constant E. Irwin, (Inf), General Staff Corps, who left there by submarine about May 3, 1942, and is still, presumably, in his possession. This officer stated that it was a roster of personnel present on Corregidor and the other fortified islands in Manila Bay on April 30, 1942. Lists inclosed here been copied from a copy of Colonel Irwin's list. The completeness and authenticity of the list is not known.

2. Names preceded by an asterisk are those of officers who have reached this command from the Philippine Islands since April 30, 1942.

3. The meaning of certain abbreviations used in the "Organization" column of the list is not definitely known and was not known to Colonel Irwin. It is presumed that USM indicates that the officer was on duty with the United States Marine Corps regiment on Corregidor and that (PB) may possibly indicate "Provisional Brigade" or "Provisional Battalion."

For the Commander-in-Chief:

B. M. FITCH,
Colonel, A.G.C.,
Adjutant General.
