ARMY SERVICES FORCES  
OFFICE OF THE SURGEON GENERAL  
WASHINGTON 25, D. C.

11 August 1945

General Douglas MacArthur, O-57  
Commander In Chief,  
USA Forces, Pacific,  
APO 500 - c/o Postmaster  
San Francisco, California.

Dear General MacArthur:

I am enclosing a list of Filipina Nurses who were attached to our Army hospitals located on Bataan and Corregidor.

The names of these nurses were furnished me by Captain Josephine M. Nesbit, Army Nurse Corps, who was the Assistant Chief Nurse in Manila prior to declaration of War and who served on Bataan and Corregidor and later interned at Santo Tomas.

These Filipina Nurses unquestionably served loyally and efficiently and perhaps you may be able to give them some deserved recognition.

Sincerely,

/s/ NORMAN T. KIRK,  
/s/ NORMAN T. KIRK,  
Major General, USA,  
The Surgeon General

COPIES

EXCERPTS FROM LETTER FROM JOSEPHINE NEEBIT,  
CAPTAIN, ARMY NURSE CORPS-- FORMERLY CHIEF  
NURSE AND ASSISTANT CHIEF NURSE ON BATAAN  
AND CORREGIDOR AND ONE OF THE ARMY NURSES  
LIBERATED FROM SANTO TOMAS

--- Is something being done in official circles to give the loyal little Filipina nurses recognition? There were thirty one of them in Bataan when the surrender came April 9, 1942. One, Maureen Davis, is a Filipina Mexican-American citizen and is in Los Angeles awaiting acceptance in the A.R.C. ---

--- They were heroines as much as the rest of us and I feel they are very deserving of any consideration we can get for them. They were loyal as they could be to us while we were interned in Santo Tomas. They, many of the, sent us toilet articles, money and fruits whenever they could get the things in to us. And as soon as they could come into camp after our release they were right there to rejoice with us. They suffered a great deal during those long years of war and are still having many hardships to endure. If we can give them a little public praise and a medal of some kind I'm sure we will never regret it. ---

--- Some of them took Mrs. Ida Rube, our angel, and housed her in Holy Ghost Convent to save her from the Japs at the last battle. Mrs. Rube is still there but not too well. She also should be given a Congressional medal or something for befriending us all when her own well being was greatly endangered.---

--- Some were in Stotsenberg, some in McKinley and some on Corregidor when war began and had served as civilian nurses with the Army. Others came when the emergency arose and we called through the Filipino Red Cross for help. Elsa Tinowag (I'm not sure about the spelling) was in charge of the Red Cross Nursing Division and co-operated in every way possible to give us help. She also is worthy of a citation. She came to our assistance again after the Japs shelled Santo Tomas, and sent nurses into our camp to run the hospital.

--- I'm enclosing the list of names and many of them are working in hospitals which I'm sure our army has organized in the Philippines. ---
