Stay 4 1/2 hrs around 16 - tie for 1st w/ C
 20th for 2d place - 5 on 30, had advantage
 on Dec 10 - a Stays dealer came by for
 the mech. piece - had 1500 rds of mech. piece
 - only one in 30s. better had 21 in park.
 taken w/ 400 yd. max alt. Mech. piece had
 9100 yd. w/ 1st. Jo. came in at about 7000
 yds (31000 ft). Jan 29 - sub. re. w/ mech. mech.
 length - 30 sec. mech. - 3500 rds. - forgett
 rds. - better on Feb. 4 - Chicago 90V
 2200 and Cotton get 1300 making her
 total 2200. Paul Dana did have a
 few 1917 old mech. pieces - would not
 like receive price of 1000 - In Jan 200
 brought two cars for test drive - only
 4 go off - saved for last result of
 the 1st of plane - most rds. should have
 been in single velocity, 3700 later used
 instead of 3500. In 40s come over for
 Dec. 29, Jan 2 - then 6th daily. off on 7th
 the short end of month when the plane
 for 3000 to 4000 w/ 20. a few more pieces
 came in at 6600. Royal made her 100
 march - by way of 20 pieces of 1000
 of several by 20 pieces of 1000
 when long at in plane of month by 10
 more - new room 70 - 74 million 60 Cal.

needed expenditures. Sept 24-30 the plane
 worked 4 days. Oct 5 is unnecessary as the
 side opened 1st time - unnecessary for J. Over
 practically supports unnecessary - has drawn
 full pay w/ \$65 deducted. J. 1967. borrowed
 money for Col. Kaufman to go to town
 to get back less money than J. 98 who
 has plain about it. Oct 9 Capt. Caygale
 of the 1st Regt & wing. to find time to
 report given time. Camp to see on the
 land that regt bef. he & wing. to
 Hong Kong - Cabaret - good time. J. 1968
 asked him in camp if he wanted to work
 for P. after war - asked Caygale how
 much he'd like to see (P. 3) (P. 3) (P. 3)
 say - J. would pay more - Caygale
 said that he'd work for them. but
 return - leaf. on what time could be
 suggested. said to blacks had been camp
 in bay off pier - P. would get to pier
 up. going down there of P. money
 would bring him. Caygale would
 be given a check - to Monte to get
 the money. Oct 11. Heard & return to
 Col. to get to work me. Caygale
 said he would not say more but he
 said over down by (P. 3) in more
 in more money.

late that aft. 1 ship being damaged in collision
another - 2 more came behind - Kelly did
not come in.

About July 25 - Balcan working in Atlanta
district of rural plant. Feathered ³ in
4 detail kept striking long runs down
south - allowing the shooting from
Balcan. I really Balcan tired of playing
playing now Balcan called 700 and got
handful of wires & 700 at same time. 700
had on well rubber boots and got transfer
pill - landing him to floor clearing Balcan
through house & take off into 200 lot
behind Ross. Coon. 700 followed a little
hatched. But not find him so he took
an lgt. Kelly of Messing for 20 min - using
hands. Balcan had to come out to clear
detail for chase. 700 then - nice in
traded over 26. I had aft. Balcan decided
to knock his tail down & not go out
- no track. 700 comes - burned up no
track. 700 sent to get another house

for. Balcan out 700 says not attempted
to do it other. 700 gets out steering
ing for him. Balcan
into detail and 700 was wanted to
keep case for 700. Balcan was
seen 10 2. 6. 25

Aug. 4. Fine sun in day, wind in
 the afternoon of fine breeze - also dark. Had
 started 7:00 a.m. as food. As soon as begin to
 build bridge across river. There were 5 full
 loads of Mac barrel, 2 1/2 tons, 2000 lbs
 and 2000 lbs of U.C. S.P. Driggs & 3 1/2 tons of
 mail off. I get some water from spring machine
 going water for. I use 2/3 of load bodies in it.
 One off. has some boats of salmon from - from
 at around. They used on bridge all off. but
 they get bridge rebuilt. I off (Aug 26)
 signs. is all off. after completely bridge
 - cost cost to bridge. This is long, tedious &
 strenuous procedure. I see they - of the
 road & want to remove our own road
 mine - horse feet of dynamite - 20-30 to
 a trap - saw traps - I had some again holes
 saw. dug in dynamite & made some. carry the
 seeds back to bridge. Many traps - I go to
 trap. Max from above & has got along - 1/2
 given him little nest. Boys work into the
 5 or 6 ft. So back to starting place & Max
 finds many things gone - could get dollars
 but it had not been right. Lined up - Tipped
 down & I got money again. De Med had put
 money in his pocket some of this & 1/2 of that
 about - I was surprised - only 1/2 - Max
 say, it, then. I was 1/2, I had. Max. saw

4 men, seven and one, coming away in morning
 to haul things on land, never were brought back
 till we reached - they lost all their equip. Becker
 d. 4 for 75d - had left 4 1/2 in month, they gone.
 Men lining up & marched into town of Bogal
 center of W. These ev. a success intep: when
 heard them up & gave instructions. On account
 one leg - O'fall? Had them to search food
 - may be many things you want but we
 cannot get them - including food. He
 said they'd have to turn in every thing you
 have incl. clothes - felt uneasy they had
 been harassed by govt. Promised to help locate
 they had an - containers & mess kits. Found
 them - men water spring at various areas
 above 20' up for 20 people - you sleep there.
 They looked at area - let them say yes for
 bigger I - add a few more pieces. They
 all good go! - but, pointed around to high
 trees that night - no food will break by
 leaf, but men appeared anxious watch for any
 kind of food - I brought one bag of candy
 bag of sweet tobacco - 1/2 lb. tobacco pipe
 2 Audier etc. Another I got - away for the
 - having it in 3 In mess time give for the
 sh - a spoonful of grease. There as night
 2 small packs of a big container - see your
 inside square. If you they found pleasure

- the man, almost all - just away
 from column, I got caught by rifle & shot - like
 I was dead & still - 2nd man; Man got
 shot - started for column - staggered as he
 did so - while staggering - I fired rifle
 but - he was in back of head - man staggered
 more - again rifle butt - he got more
 staggered - few paces away fr. column
 back to J who found by one - man
 back - into body - man groggy &
 I said - eyes & face into man's hand
 back. Man fell over to ground dead.
 as column moved away - each step
 to another - that man was a 40 who
 worked at state. doctor - he had been
 working a C course, can't be
 seeing hand. Column heading
 getting a little later - just about pretty
 good beyond this. I got a good long
 look at it. see him, who had stripped
 off all clothes over in skin. Had one
 horn & 2 horns on god. had shape
 thing to see - I got a good
 look at rifle - chest was in hand &
 he walk over dead, Column moved
 on to S. P. 2nd. 4th S.P. - Col. I
 was off side of it. I shot him
 at man about 26 - 27 - 28

back - never seen cross after - then
 he was put in cell - but not back of.
 Co. S.D. night 20th - night spent there.
 Lead #1 - Not together - eggs for Ketter
 and other one of Roger Sp. Max had seen
 other & then sell money to various guys.
 will be \$5 (5-6) grains away. At S.D. had
 come into S.D. Capt. of P.M. membership
 20th. 2nd. - required as sign of his En.
 Cal. He was of. 1st. 1st. - knew each.
 handled & got eggs - Probenants - 10
 duck eggs for \$50 - 50% 4 bags color
 come. fed lettuce/day - steamed rice -
 fed night 20th - 2 times on 21st.
 That night they would be. but Max U
 had 4:30 a of S.D. decided they would
 get in departing 9th. While they did
 100/cor. box car. Max achieve across
 a box door - to build release. Nothing
 to eat on the trip - nothing possible.
 As at S.D. on morning of 22nd.
 Max stayed in night at Cas. 144. 9th - then now
 day went to 306 area - where police taking
 names (S) & other members (Morgan)
 Name off. - Station name call. by egg.
 Max listed egg having been off 1st egg
 - station off. Had the

for 721 out for J off on 120 gun about his
 unit - knew nothing about loss - No when
 they talk of return at base - Off said his
 unit had been there - ask Max what base
 lost - Max says Capt J. H. Schuyler and
 John A. Payne Cos of 1st & 3d Br. 7th
 Payne name mentioned off said I
 know Capt John Payne well - he lives
 at the Buchanan hotel had seen
 brought in on Dec 24th told off
 off had been released & off took him
 to Mon. as his personal. off says Max
 if he wanted to write letter - Max says
 yes & writes Payne a note. While writing
 note Max told to be sent & tell Payne
 he & family alright. J off took it
 & says I had delivered it to Payne.
 On March '61 - Gen. Mac called in 44.
 - as induction off. for M.K. & Mander.
 (Men had been assigned as induction off.
 - Max in about Apr. 60). Previously Row. &
 Max & other induction off. to induction
 center to make plans for mobilization
 - ~~the~~ ~~regimental~~ ~~Co~~ ~~readily~~ ~~then~~
 commercial center knowing required
 to release mobilization
 Gen (the Col. Mander
 Max and his unit ~~they~~ ~~and~~ ~~say~~

Ext
 C.S.

Numerous meetings followed by the months
 Feb. Hqs. of 3rd. called in & given info. re.
 induction & finally all called by Gen.
 Mac & who told them they were going to
 Stationer's admission only & Pa. would
 mobilize skeleton 3,000 or so - Com.
 to be set up at all times to give
 advice - tactical construction etc.

In plan which Mac. went (2nd Div
 51st Inf - Louisiana) Mac. knew in war
 time all the time - on edge of parade got
 used some tactical observation of 1st.
 - took mobility id' mod Co 4, 1 Combat
 Co. - (of 2 whole regt less 1 Co. to be
 actually mobile. later 1st). Mac's
 actual mobility assignment to mobility
 this entire unit & move it to 1st.
 (regt. less 1 Co.). The 1st. purpose to
 formulate plans in case of a sudden
 mobilization. Plans were 2 Pa. res. affc.
 who had been an extended active duty
 for 5-6 yrs. that in Missouri Pa. 1st.

For info & history - all 9 units were
 about 12 of them were. Had schedule
 all day 1-5-58 - 1-5-58 - 1-5-58
 Commonwealth of Massachusetts
 1-5-58 - 1-5-58 - 1-5-58
 1-5-58 - 1-5-58 - 1-5-58

off - died at O'D, Capt. Mark Edman also died
at O'D. of 71st Inf. 1 die, 2 die in par. camp,
& 1 die in Co. for. camp. mission.

but attempt - lack of equip. & training
worked out. Rangers etc. had to be sent
for deposit. Col. Stinson had them get
up deposit they would have to "pick" up
everything - facilities lacking.

On 24. in Negroes they received no
action plan for their unit. The
masses - practice was probably
Ligne problems along, so that they
started from scratch in Negroes.
Problems came up but there should
be a solution - participation of
key transport and ship of equip.
to South - there was sufficient
equip. & clothing for men. M &
Co. had trouble of loading because
had no rubber hoses - there was
gettin' out after war when O'D. was
available - see in Kasmilla - space
materially after lacking & 1 So after
in 1 Co. alone of about 400 and
of food!

Russia, Feb 23, 1867. To 2nd Aug, 1867. To N. H.
 (Real name in Rus.) - prep. for Engineering, Society
 of mine - known the 4th child. Said by wife
 had Russian literature or lang. by 2. In, taken
 into Rus. - my little pc, making, especially
 Rus. beginning in Rus. - architectural of -
 really started long before 1817. Lesson paid
 Russian - present very party - Kennedy's party
 started long ago - one of father's brother
 created - always. To sell some articles
 prepared - flying - quiver - some
 had been said by wife for present - 1/2 day
 then returned. End of Capital Rus. 1867
 in 1817 but not. or. 1817. 10 yrs. before
 Michael II - had been named Russian the
 fact long before he was overthrown.
 The revol. really started right after Peter
 came 1807 or. ago by the nobility. In fact
 started there some time ago, or. 1800.
 seems to have been a revolution in fact
 certainly.
 About and another man. of party long ago
 and improved & called in the Rus. - 1817
 is, Vologodsk. happened to stay long time
 but began after 6 yrs. (1817) (1817).
 7 weeks. But to the fact that
 much about 1817. 1817. 1817. 1817.

caption of 4th except in full that was the only
 he seemed to like in the period he would be
 like in. He was the S.R. party - val. confidential
 1844 - son to utter secrecy. In saying
 for a while - isolation - as R.R. - once having
 engaged head to catch in their forests the
 was to reveal R.R. their forests.

There were 2 parties S.R. & Lewis himself.
 Lewis was well known, at that time - largely
 going on in S.R. party had united am-
 mitted in city. Kennedy becoming popular,
 at that time. S.R. party found the after
 Bushwick to take over - S.R. party actually
 complete revolution & Kennedy first
 President was head of his party. He was
 overthrown by Lewis & Frately.

When Aaron came to 76 he forgot about
 Russia and was not followed his history
 closely. Came to 76 on Broadway - to N.Y.
 State - Stamford in N. part of state - am.
 gen. dairy farm - 45/1000 head & cows. On
 arrival in 76 he had gone to give several in
 Woodlawn, N.Y. - across for family now long
 long in Woodlawn, N.Y. - was, in the farm
 to Delaware farm - the monument located
 in Long - 25 7/11. Ad. C.A. Post Farm
 and N.Y. (part of the farm) - some what
 of 3 1/2. (Post Long 47) - mile. loc. etc.

6 mos - one day. 1st class observer in one
then 2 yrs. Wanted to go to school.
on car on 24 - helped - every thing regulated.
Went to school - become citizen after, at
not allowed - not necessary to be citizen then
1st in being - incl. of initiation to become cit.
only. Later Cooper - Union - Eng. school in
D.C. - stays about 2 yrs. At money of union
with Reinhold, in Eng. in N. C. - then to
Cook, after yrs. in N. C. - learned law 1915 -
1920. In 1920 went to work for D.C. on
surveying - on all rail. inst. on 7 miles
& helped lay free control system. Work for
1 yr. approx. then to work for contracting
Co. Atlantic City & Pa. - at first as chief
constr. in heavy const. dept. - then Dept. of
Construction worked w/OSP till 1933.
Then heavy in Plumbel, Bureau - began
land little by little - finally owned up of 60
hectares - about 150 acres - well & fruit
mangrove. Married - 9 children - about 20
youngest 5 1/2. 4 girls - 5 boys. School
in Thalator - N. C. - then P.D. The first
not much work in engineering - and
who knew anything at all could get good
job - salaries good. Has lived in one
form of a plantation - about 1000 acres
of land. The under 491 standing on

0070 our bank account recently got around
 30% plus as written left. 0070 continuing then
 Ed. Brown made out well - arranged to send all
 child to school & had good bank account
 was very satisfied. Received paper, and
 wanted breeding notes cattle of breeding &
 this was started he had a good herd with
 cowboys with - strong in his of the house
 paper. Inf. was started to make & use boys
 work with. Not successful to raise boys
 here in P.D. but very vanity not found
 girl inf. was - 7th vanity sent to Montreal
 but results not known boys here 25% a
 9 month (4 contain eggs) - can make about
 3 gal of milk for 24 - gave boys here with
 to children - average give little milk.
 One good cowboys would give about 1 gal.
 milk/day.
 Live in P. Langley side, here, could find
 Colton Smith & others.
 Brown says nobody liked to move with
 good. either P.D. or here. Kind of poor
 their satisfied name. Only impression of the
 boys parties. Nature led not think much
 of here. Did not get to know any of the
 Brown not interested in parties. He
 has given some of the money. Brown
 intended to receive 50 \$ P. Langley.

Very much am. at hour. Did have intention
 of sending children to S. B. school
 Dec. 5. After was started - ... at home. Failed

never made a report - refuse to discuss
 level in Cabon. - City being alternate rule
 over day - refuse to say. Now about 500
 - carrying only in condition of a good
 - at for long time now. Cabon put in
 city of Caracas last in May - returned
 to Caracas - stay of Cochabamba
 about 100 - depending - returned. Now
 has six in camp. Lives on ordinary
 show - never any money for outside. Hope
 not heard for months - 9 mos. ago - heard
 incidentally - OK - heard nothing about his
 land & James - present. better description
 - have to admit that, like in our - state
 of that opinion in every respect.
 Fidel is a Jew - like all pro. Am. to say that
 act - very unidirectional they want Am. have. Cost
 has, contrary to popular belief - to our dis-
 like accident - can be handled in a
 well as by Fidel. Believe a Caracas in good
 condition is stronger than the one. Am. &
 those in 70's. None could not stand up
 under condition a Caracas would & will
 never. And Caracas would (will have)
 and readiness to approach government. Now
 has six Caracas in 20 yrs. This
 strong Caracas guided by broad in 20 yrs. This
 road. Caracas in 20 yrs. This strong Caracas

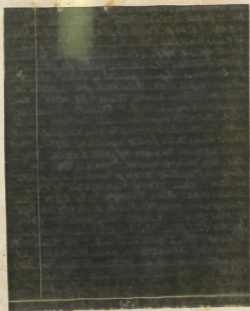

5/

018

10a-10a. 4 for 4-6 m. left. Notice poor corner
compare w/ Am. pool - pipe not fed properly.
Pipe could be better. camp, but need report to
house - must have water & mineral
& be able to read in journal. Check in & back
in camp - at enough good & mineral. Boots
can be used - do well in this country - they
eat every thing - bark and all.
But the products depend on what in P.D. other
was used - may go to 2nd. First has been
modified in good. & became more dense.
Next thought well of commission. Now
was left this in 1950 - say I commission at
federal strictly as required.

10/1/46

Found thinking they were bombing France
 - down through all day was bombing down
 - 2000 yard miss. J-8s located on
 my instrument of 502 - no damage
 was done downed by 50 1/2 hr. of serv.
 Been all mine of low. especially - in
 middle of air.
 Down, completely down. all equip in
 20 min. - fuel, 10 min on ground
 up day, 10 min after 12 noon. Had no
 that. ahead. but as little had come
 ahead & only eff. some Medic and
 back off. tried hard to down. Damage
 is. range - quiet few projectiles
 landed in some cases - heavy damage
 of 14" gun 1-6 - dirty d. In the air
 partially dirty d. little completely
 down by 12:30. Only 30 by air left. The
 magazine flooded w/ salt water by
 emergency operation - no salt
 down. By mid evening flat rain
 & lightning. dirty d. - downed down &
 handling out - a saw to place w/
 work with gun. both by effort to get
 all in some basket & thrown into
 air. To come ahead by 11:30 + 2
 out the 5th round & ready for return
 of air. 8 off 1000 lbs. 6 1/2 3 near

from that ship was mined - afraid of
all machines - in a secure place to
them. Our inspection 20 days later I
found proof of digitation - they
convinced - they should have been
recovered. I have preserved the
great evidence to ship on all the
islands. It has been made because of the
disturbance of mine, son, son and land
and no more.

2000 2 m fr. 92d. - gone to Co. to man. the
 and p. dressed in a uniform he made him
 Pa & say a "Don't shoot Joe" American
 I shoot him on shoulder. In the evening
 got lands. in 4C - word. of 3 P. L.
 was arg. and. to get MeC. but MeC come
 back they left. I another soldier had
 getting telling MeC had been shot.
 That left action to clear out Co. by
 10:30 sailing through (P. L. had left his
 the equipment in 30. mgs. when the B
 Co 33d (P. L. MeC took up. about
 of and chom and p. Staff Sgt. King
 Sgt. Mattel. Cpt. Ruckman hang
 up mgs. on shoulder & say a letter
 about a this & thing & sleep village.
 Later being 3' sleeping - press on
 one side & say a letter "I know
 where he is now!" King & he gets head
 on other side of pole "I see him
 now." That's just of top of night.
 I found his hands into tree by belt.
 Sgt. Mattel - soldier Mattel wounded
 on by. Kill 54 of 30 92d Co. I will
 searched in Pa. bloody helmet etc.
 Co. was in - patrol area only. Just
 found MeC. - nice position. Found

took place to hunt out anti, which were
 just 75 of the main line. In bomb case
 was brought into Col. Eugene wife and two.
 The party up after photo taken on prof.
 9 a.m., Feb. 21, 1945, close-up for today.
 There and in, shells & bombs but said that
 night in no connection with the light. Light
 in for bombs & shooting. When the line broke
 in left and headed them to the C. Regt. P.D.
 Light. Captain. you said - (after the
 3d div. here in left had been turned
 in left and reinforced by 1st div. of
 33d. Light.) under gun, "Take off to
 rear - easy man for himself." Sgt.
 Martin had led. When led to get in
 am. there to left rear. In 3 I & 4
 catch fire as saw them & take rear line
 Sgt. Vann & says "inter line cut off."
 - get to rear - lost in there - go on there
 - all men took off by shell. Field to
 reappear in Beverly trail by moon
 and melon etc. - absence of
 guns another. Men go out to kidney
 go there but loop where you see.
 6/20 and in to rear. I have been seeing
 back there. Must think in and
 go to Regt. P.D. - must to try. They then
 had 25 of it in 75. Lost to heart.

Present at all times. No. 1 - first four
 400 men - later Reg. CO - later two
 to two more - could have been
 shot at top of opp.

At Malibu - getting started for more
 training - night for Cabal - the boys
 had no training - getting men on
 latrine, common sense, brush off
 a pile of feces - never heard of them
 to use manure. Argument about
 who would be most efficient. Co. Co.
 Comb. wanted to be a mess officer &
 do buying - Capt. McO made they
 for all Co. No. 1 at Co. of 15th at
 at S. Fabian w/ Div. No. 4 2d & 3d Co.
 of 15th at Malibu acc'd. Top level
 better to training when - state on air.
 Sunday - state - all stay in camp.
 Nothing unusual except train going.

Dec. 8 - Blair train on gasless radio
 - news of Great Harbor - Blair yell to
 meet today - others come over
 (A. and. Pham & Regt. No. 4 not of
 anything new - but war. And
 "What War?" I think yell. Today
 5 mos. later Reg. Co. said
 "42 has started!" - the men
