MEMORANDUM for
The Superintendent
Iwahig Penal Colony

With reference to the attached message in which it is desired that 500 healthy prisoners be assigned from the New Bilibid Prison to Purto Princesa, Palawan, I regret to inform you that there are none available. The few prisoners we now have in Bilibid are mostly sick. Those that are not confined in the hospital are skinny and pale and are physically unfit to work for lack of sufficient food.

Prisoners in Bilibid now have only one suit of clothing each. Several are without any and are using only worn out uniforms. We cannot make new suits for them for lack of materials.

(SGD.) ELIAS DIOQUINO
Colonel, P.C.
Acting Director of Prisons
