SUBJECT: Roster of 14th Infantry Regiment (PA)

Following is a consolidated roster of 2055 personnel, former members of the 14th Infantry Regiment, who may possibly have Army of the United States status. The appearance of a name on this roster does not insure recognition in the AUS; determination of such status rests entirely on the individual circumstances of each case. This roster is published as a guide for processing of personnel who claim AUS status by virtue of affiliation with the 14th Infantry Regiment.

CAMP SPENCER, La Union
12 April 1946

SUBJECT: AUS Personnel, 2nd Bn and Combat Co, 14th Inf Regt, PA.

TO : The C. O., 2nd Inf Div, PA,
Camp Spencer (Attn: G-1)

1. For your information, I am submitting herewith a list of the 2nd Bn and Combat Co, 14th Inf, PA personnel who may have acquired AUS status by virtue of Gen MacArthur's radiogram from Australia to Col Guillermo Nakar, C. O., 14th Inf, on 12 July 1942.
2. The sources of this list of persons are from rosters of officers and troops, 2nd Bn and Combat Co, 14th Inf presently on file of the 14th Inf Section, your headquarters for the months of May, June, July, and August 1942.
3. No documents could be obtained presently in the files of the 14th Inf showing that the personnel in the attached list were inducted into the Army of the United States.
4. From my personal knowledge, I have not known of any induction made by the late Lt Col Manuel P. Enriquez.
5. The reason, I believe, why Col Enriquez was unable to do so was that, at the time he received the authority from Col Nakar to induct the men, his CP was far way off from the men of the 2nd Bn and consequently he was unable to make the trip to the battalion area on account of intensive enemy mopping up operations.
6. Some of the men, however, were inducted by me when Col Enriquez verbally delegated me the authority on 1 October 1942 at BABADI, Pingkian, Nueva Vizcaya. Again, no copy of this induction is presently available in the files of the 14th Inf as most of the 1942 records were lost or destroyed by causes beyond our control. Some of the surviving members may have retained their own copies, but we are presently unable to pool them together and collect their own copies.
