COMMENT NO. 1

Pentz/smg/757

TO: Operations Officer

1. This project initiated to verify the authenticity of Extract Copy Par 2, SO #175, Hqs, Ninth Military District, Philippine Army, Camp Bumpus, Tacloban, Leyte dated 1 November 1941.

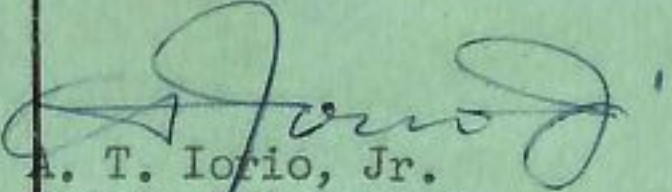

2. Twenty names listed under SO #175 were located on troop rosters dated subsequent to 30 November 1941 (330.32 F-43 & 74). 201 files for fifteen individuals listed reveals the following: Twelve files show call to active duty and/or induction during the period 20 November 1941 to 26 December 1941. One file contained clinical records and miscellaneous papers. No file located for two individuals.

3. Order under study is numbered from page one thru ten, with page nine missing. A comparison of this Special Order with other Special Orders of the Ninth Military District (PA), for the month of October and November 1941 on file in Records Section, show compatibility regarding date; numerical sequence; organization; title; location; command line and signature of Robert A. Tabberah, 1st Lt, Inf-Res, District Adjutant.

4. Recommend that SO #175, Par 2, Hqs, Ninth Military District, Philippine Army, Department of National Defense, Commonwealth of the Philippines, Camp Bumpus, Tacloban, Leyte dated 1 November 1941 be accepted as an authentic archive of a Philippine Army Unit, prior to mobilization into the USAFFE. Further recommend that the Order be carded, cards placed in Master Card File, and an autostat copy of the Order be filed under Decimal File Number 300.4 in appropriately numbered folder. ^{#53}
