he was Comdg O and Disb O of 3d Agusan Co, PC, USAFFE, up to the order of general surrender, and paid himself salary and quarters allowance up to and including 15 May 42. Letter in file from Hq PA, 27 Feb 46, directing him to submit an accounting of funds allegedly advanced to him in early part of 1942, appears to support his allegation of being both Comdg O and Disb O for his unit. Correspondence in file, letter, Hq 8133d Army Unit, AGRD, 24 Aug 51, shows that subject individual was requested to submit an original copy of Certificate of Induction. In his reply, he stated that the certificate signed by Lt. Godiardo Guillen inducting him and members of his company into USAFFE was filed in his office as CO of 3d Agusan Co, PC; he made true copies which he certified as correct in his capacity as CO; attached a copy to vouchers and kept one for himself; and after liberation made true copies for himself and his men. He also stated that on 8 Feb 42, the barracks in which his office was located was bombed by the Japanese and official records including certificate signed by Lt. Guillen were destroyed. His reply further stated that he wished he could furnish a reconstructed record signed by Lt. Guillen, but at present did not know where to locate him.

His testimony, concerning establishment of the Agusan Sector, contains the following statements pertinent to induction and functions of Philippine Constabulary units in the Agusan Province:

a. A battalion of Philippine Constabulary occupying three posts in the Agusan Sector was inducted into the USAFFE and became a part of the Agusan Sector.

b. These three companies were located in Butuan, Bunawan, and Waloe. The last two named stations were in the upper part of the Agusan Valley in Agusan Province.

28 Mar 42 - 10 May 42. Although no information has been found to show his unit assignment or location prior to 28 Mar 42, history of VMF indicates a number of troops were disposed in the Agusan Valley prior to movement to Digos Sector. In this connection it's possible that he may have been stationed in the vicinity of Bunawan o/a the third week of Jan 42 and verbally ordered Lt. Guillen to induct the 3d Agusan Co PC into USAFFE as alleged in Lt. Guillen's affidavit.

#### 9. DISCUSSION:

Date and place of induction (20 Jan 42, Bunawan, Agusan) as alleged by individuals listed on true copy of Certificate of Induction for 3d Agusan Co, PC, correspond with testimony of Col. Chastaine, Agusan Sector Commander, pertinent to induction of PC company located at Bunawan, Agusan, into USAFFE. This evidence indicates the PC company referred to by Col. Chastain is the 3d Agusan Co, PC. Alleged activities, maintaining peace and order in the Bunawan Area, appear to be consistent with his statement that PC units (inducted into USAFFE) continued to operate in the vicinity of their former stations throughout the occupation of the area. Alleged enemy bombing 8 Feb 42, resulting in destruction of official records including original certificate of induction, also appears to coincide with his statement relating to enemy bombing of Bunawan Area shortly after 5 Feb 42. Induction into USAFFE is supported by affidavit of Godiardo P. Guillen (inducting officer), testifying that upon verbal orders of Maj. Graves, U S Army, he inducted the 3d Agusan Co, PC, at Bunawan, Agusan, o/a the third week of Jan 42. The fact that at least ten 201 files contain guerrilla archives indicating USAFFE service also supports alleged induction of organization.

#### 10. CONCLUSIONS:

Foregoing evidence is considered sufficient basis to establish the fact that the 3d Agusan Co, PC, located at Bunawan, Agusan was inducted into USAFFE on 20 Jan 42, by 3d Lt. Godiardo P. Guillen, PA, Mobilization Center and Acceptance Officer, Agusan, Sector.

Information contained on document under study, true copy Certificate of Induction, 3d Agusan Co, PC, Bunawan, Agusan, 20 Jan 42, is compatible with allegations found in 201 files for personnel listed thereon. Since original document was destroyed 8 Feb 42, and since no inconsistencies have been found between document, history, and allegations of listed personnel, this document merits acceptance in lieu of original.

#### 11. RECOMMENDATIONS:

a. Attached true copy of Certificate of Induction be accepted as an authentic USAFFE archive.

**A F F I D A V I T**

I, ROSALIO C. SALUDARES, 54 years of age, married, Filipino, with residence and postal address at Magugpo, Tagum, Davao, after having been duly sworn to in accordance with law, depose and say:

That shortly before the outbreak of the war I was already the Commanding Officer of the 3rd Agusan Company, Philippine Constabulary with the rank of 1st Lieutenant with ASN O-1274, then stationed at Camp Mendez, Busawan, Agusan;

That on 20 January 1942, I and members of the 3rd Agusan Company, PC, (one of whom was Pvt. Eustaquio Baguio) were inducted into the United States Armed Forces in the Far East (USAFFE) at Camp Mendez by 3rd Lt. Godiardo Guillen, Inf-Res, then Mobilization Center Officer;

That on or about 8 February 1942, at about 0800 Hours, our camp was attacked by three Japanese planes. Japanese bombs demolished said camp causing complete destruction of all our official military records including the induction papers duly signed by Lt. Guillen, Mobilization Center Officer;

That I know definitely the late Pvt. Eustaquio Baguio, he having been under my direct command in the 3rd Agusan Company, PC, before and after said unit was duly inducted into the USAFFE; and I likewise know the above-named veteran was already suffering seriously from malaria shortly before we received the "order" from higher headquarters to surrender to the Japanese;

That I left to the discretion of each member of my command whether or not they would surrender; and it was on the later part of May, 1942 when I personally last saw Pvt. Eustaquio Baguio;

That it was only lately when the wife of the late veteran, Eustaquio Baguio informed me of the death of the latter - the cause of which was malaria;

That I execute this affidavit freely and voluntarily without any promise of reward or compensation; and that I am willing to testify before any court, committee, investigating body or tribunal who may contest the statement I made above;

IN TESTIMONY WHEREOF, I hereunto set my signature this 31st of October, 1953 at the City of Manila, Philippines.

That on September 6, 1941, I was inducted into the USAFFE, at Butuan, Agusan, by 1st Lt. John R. Richardson, U.S. Army;

That on or about the 3rd week of January 1942, acting on verbal orders of Major Graves, U.S. Army, I inducted into the USAFFE, the members of the 3rd Agusan Philippine Constabulary, then stationed at Camp Mendez, Lunawan, Agusan, which unit, was headed by 1st Lt. Rosalio C. Saldares;
