COMMENT NO. 1

Fister/cn/764

1. This project initiated to verify authenticity of extract copy of Par 5, SO #27, Hqs Leyte Provisional Regt, Visayan-Mindanao Force, Tacloban, Leyte, 29 Jan 42. Copy submitted in the case of Serafin Delos Reyes, lists names of three PA officers, and pertains to changes in assignments.

2. Document in question appears to be a duplicate (carbon copy) of extract of Par 5, SO #27. Document also appears to contain imprint of an official seal. Orders indicate that each officer concerned received a copy of the extract, and copy submitted, could be the one furnished above-named officer. The organization, location, date and numerical sequence, command line and name of Protasio P. Albao, 3d Lt, Inf-Res, Adjutant, are consistent with other orders issued by same organization during Jan 42, on file in Records Section, Recovered Personnel Branch.

3. 201 files located for officers listed. No other copy of orders located. Alleged ranks, designations, organizations and dates assigned thereto, are compatible with orders. Two officers have been determined positive for USAFFE service. The other one was certified to WCC on 7 Aug 53 as "No Record" for USAFFE. However, names of all three are listed in prior orders, Par 2, SO #3, same organization, 3 Jan 42, on file in Record Section, Recovered Personnel Branch (authenticated by Project 016, Hq RPRB, 22 Dec 58).

4. Recommend that extract copy of Par 5, SO #27, Hqs Leyte Prov Regt, VMF, Tacloban, Leyte, 29 Jan 42, be accepted as an authentic USAFFE archive; that orders be indexed, index cards filed in Master Card File, and copy of orders placed in USAFFE folder 302, Decimal 300.4, and in 201 files for PA officers listed.
