1. This project initiated to verify the authenticity of Par 35, SO #202, Headquarters, Fifth Military District (PA) dated 28 October 1941, submitted as an inclosure to letter dated 26 May 1961, in the case of Conrado Bismonte (original mimeographed extract copy returned to NOK). Order pertains to call to active duty effective 1 November 1941 with assignment as indicated. (Original document examined for additions, deletions or signs of alteration; none noticed.)

2. Order under study is numbered page one (1), page seven (7) and final page, with pages 2, 3, 4, 5, 6, 8, 9 and 10 missing. Available pages list seventy (70) names, thirty-two (32) files were located, eighteen (18) files pertaining to deceased personnel and fourteen (14) files of living veterans.

3. A comparison of the 32 files located with SO revealed the following:

a. Called to active duty and/or induction during the period 28 Aug thru 22 Dec 41.

b. Reported to training center or camp
18 reported to Lucena, Tayabas
10 reported to Regan Barracks (Albay)
2 reported to Camp Pili (Cam. Sur)
1 reported to Banay, Banay, Batangas
1 Unknown

c. Eleven (11) files (8 living & 3 deceased claims) show same organization as assignment in SO #202. Twenty-one files show various component units of the 51st Inf or 51st Div.

d. Home address for the individual as shown in thirty (30) files are consistent with that shown in special order.

4. Twenty-three (23) files have been certified to VA. Seventeen (17) (14 dec'd and 3 living) as positive for USAFFE-PA service based upon Capas POW and DEATH Records, Report of Casualty, Medical Tags and/or affidavits. Six (6) claims were certified as negative for USAFFE-PA service. Nine (9) files do not contain a claim for VA benefits.

5. Historical Reference File of the 51st Division (PA) on file in Records Branch, RPR Division, indicates that the 51st Inf Regt (Component Units) were mobilized at Lucena, Tayabas on 2 Nov 41.

The elements of the 51st Division were drawn up as follows:

52d Inf Regt inducted 1 Sep 41

51st Inf Regt mobilized and started training 1 Nov 41

53d Inf Regt mobilized and started training 24 Nov 41

51st Med Bn, Signal Co's, Hqs & Hqs Co's and QM Svc Co 1 Dec 41

SUBJECT: Project "072" Par 35, SO #202, Hqs, 5th MD (PA)
dtd 28 October 1941

On 8 Dec 41 the state of the 51st Div was complete less one (1) Anti-Tank Bn and the 51st F.A. Members of the 51st Div were inducted and trained in Southern Luzon, what little training they did have and at the outbreak of the war they were sent to defensive positions on the beaches. In the latter part of December the S.L.F. was on Bataan. By the night of 6 Jan 42 the last elements of the N.L. F. had also withdrawn into Bataan.

In the retreat to Bataan the USAFFE Forces were so broken up by the continuous fighting that there was no longer any semblance of a standard organization in the line.

6. Organization, command line, numerical sequence of order number and pages of order in question, appears to be in sequential order compared to other orders issued by same organization 6 Aug 41, 16 Aug 41 and 15 Oct 41 on file in Records Branch, RPR Division. The signature of Jose C. Castro, 2d Lt, Inf-Res, Adjutant appears compatible with signature on SO #191, dated 15 Oct 41.

7. SUMMARY:

Par 3, SO #202, is dated 28 Oct 41, calling the individuals to active duty effective 1 Nov 41. This allows three (3) days to comply with the order. Individuals are shown (in 201 files) as living in the Provinces of Albay, Camarines Sur, Camarines Norte, Tayabas and Marinduque, in 1941. Due to the geographical location (homes) and transportation, it is believed that the individuals who did report, either did or could not report on date specified, but did report to Camp specified in order, or the the nearest Army camp on various dates subsequent thereto.

Examination of the thirty-two (32) files located reveals information that is generally compatible with that shown in order. Of the fourteen (14) files pertaining to living veterans, eight (8) show compatibility of unit and organization assignment. In deceased cases the claimant cannot be expected to give as accurate an accounting of the service of the individual as he could and would explain the variety of alleged dates of call to active duty. Also, the organization with which the individuals allegedly served in were probably taken from death certificates issued to them by HNDF, or from information submitted by affiants. No complete copy of Par 35, SO #202, dated 28 Oct 41, located.

The signature of Jose C. Castro, 2d Lt, Inf-Res, Adjutant, appearing on Par 35, SO #202, dated 28 Oct 41, appears to be compatible with signature on Par 1, SO #191, dated 15 Oct 41.

8. Recommend that page 1, 7 and final page of Par 35, SO #202, Hqs, Fifth Military District, Office of the District Commander, Department of National Defense,
