NO.....3)

( E X T R A C T )

1. Subject to the confirmation of the Commanding General, 110th Div., USFIP., Sgt. Naldo, Rodrigo, Signal Corps, now on duty at Lebak is hereby transferred to Kiamba to be in charge of the Watcher Station thereat. Sgt. Naldo, R. will, upon receipt of this order report to this Hq. for instruction. He will bring with him all his equipments and clothings.

Sir:

The travel directed is made as of record and is necessary in the public interest. We have for reference together with bills No. 27-27, dated May 19, 1937 and No. 28-27 dated June 7, 1937 of the Municipal Treasurer covering alleged charges against this use of the Municipal wharf by our launch.

(SGD) F. MAGSAKAY  
Capt. Inf. USFIP  
Commanding

We acknowledge the validity of your bill, but we feel very sure that bill No. 27-27 is a mistake as when our launch "MOBILE" made a trip to on May 18, 1937 we remember very well that the launch was along the Municipal wharf at that time, and he received beyond doubt that the launch was tied up at the dock in front of the rice mill of La Sma. Hq. 116th Inf.

we justly and lawfully owe the Municipality of Cotabato, but we would request that collection of the amount covered by the launch be held in abeyance, pending the time to be made by the authorities concerned.

C O, 2nd Bn. 116th Inf. Regt.

Very respectfully,
