To : CO, Combat Co., 14th Inf.

1. The following SM for their exceptional bravery and excellent discipline in carrying out field orders from the undersigned in the face of a superior enemy are recommended for decoration, citation and commendation:

1. Pvt. Benito Zipagan, RAC 30. (Attached)
2. Pfc. Arturo Operana, Combat Co.
3. Pvt. Vidal Polentino, Combat Co.
4. " Maximo Santiago, Combat Co.
5. " Primitivo Camilloza, Combat Co.

2. The above SM showed exceptional bravery and excellent discipline while an attack was made at 10:00 A.M. 27 June 45 with only 10 men against 200 with one Cal. 50 MG well protected. The attack was very successful. The attackers accounted 50 dead and many seriously wounded. The Cal. 50 MG was completely silenced by the bazooka fire. On our side there was no casualty except a Cal. 50 MG bullet that struck ^{the} helmet of Pvt. Zipagan but did not penetrate. It was my belief that due to the superior cover and position of the enemy, the attackers should have not been able to withdraw and thus annihilated if not been for the excellent discipline coupled with their exceptional bravery in carrying out every field order from the undersigned during the operation.
