Aug. 15, 1919.

Gentlemen:

It is directed under your Resolution No. 170 of July 31, 1919, the appropriation of ₱300.00 from the unappropriated balance, General Fund, for artesian wells purposes.

I now have the honor to inform you that the amount of the unappropriated balance is only ₱125.33 not sufficient to answer the sum stated in your Resolution above said, for which it is suggested that this Resolution No. 170 should be of no effect, and that a new resolution be passed approving the attached Special Budget No. 5, in which it is shown various appropriations including that mentioned in your Resolution No. 170.

Very respectfully,
