When Japs were on way to occupy Baguio, left hospital with wound unhealed. Tried all efforts to join Unit but in vain because way was already cut by Japs. When well I can't locate my organization. I joined the Guerilla. Never surrendered.
Dunlap, Juan	Major	Sergeant	Sept 1, '41	1st Cadre, Vigan, I. Sur	Vigan, I.	Did not reach Bataan because all training teams for which I was a member were left at the Cadre waiting for orders. When Japs landed at Vigan, we encountered them despite the great odds in number and arms in Japs favor which caused a casualty of about half our number. We then retreated and reported to Lt. Disha, Abra Camp commander then. On Apr 1942 reported to Maj. Causing, surrendered 5/15/43.
Gandoza, Cayetano	Lt Col	Pvt	Jan 3, '42	1st then 2nd Bontoc com PG	Mt Prov.	Did not reach Bataan because we were ordered by Col J. Prov. I was detailed again to Butiqui. In Sept 1942 our D.I. surrendered, but I reported to Lt. McHenry, "M" Co, 121st Inf. Never surrendered to date.
Cadatan, Daniel	Major	Sergeant	Aug 28, '41	Med Co, 12th Inf, 11th Div	Bauang; San Juan; Barore; Bakertis, La Union	Did not reach Bataan because we were sandwiched at Bauang where we were forced to retreat to Baguio the only safe place then, with Major Moises and Maj. Nobel. When tried to go down thru Cannon road, Japs has controlled the road so retreated to Nueva Viscaya with Maj. Moises.

SUBJECT: Information, Request for

To : The Adjutant, 15th Infantry, USAFIP., NL

1. Request that information be furnished this Headquarters, as to what is the status of the officers and men that Headquarters assigned to this Battalion and who have not yet reported for duty, the list of which is furnished below. As per basic communication from that Headquarters dated 17, 1945, men whose names are in the rosters and who have not reported for duty in two weeks from date of order to report will be dropped with proper recommendations to that effect.

2. Request then that authority be granted this Battalion to drop immediately from the rosters those men who have not yet reported for duty and new picked up for the purpose. This is needed very badly to bring this Battalion actually to its full strength especially now that it is in actual contact with the enemy which is numerically superior. Casualties are incurred everyday and proper replacements should be made at once.

SUBJECT: Prisoners  
TO : Regimental S-2 Officer

1. At about 11:15 P.M. on April 20, 1945, the Regimental S-2 turned over to the undersigned in the Plaza of Narvacan, Ilocos Sur, five (5) Prisoners namely, EMILIO MEDINA, ANTONIO ZUMEL, GABRIEL CENTENO, PACIFICO LEGAZPI, and MOISES LAGUD to be brought to the Headquarters of the 3rd Bn., 15th Inf. for temporary confinement pending the arrival of available transportation to the GHQ.

2. That on the way to the Headquarters, 3rd Bn., 15th Inf. all the aforementioned prisoners under a preconceived plan, attempted to escape by running away, reason for which, the guards fired at them, resulting in the death of Emilio Medina, Antonio Zumel, Pacifico Legazpi, and Moises Lagud. Prisoner Gabriel Centeno was successful to escape from us, and the undersigned with his soldiers searched the vicinity of the place of shooting but proved in vain. Early the following morning (April 21, 1945) Lt. Juan Valeros, the 3rd Bn. Ex. O., ordered the Military Mayor of Narvacan, I. Sur, to apprehend, dead or alive, the person of said Gabriel Centeno.

3. This morning at about 8:00 o'clock, April 21, 1945, a report was received that said prisoner Centeno was hiding somewhere in Palicud, a barrio of Poblacion, Narvacan, I. Sur. Upon knowing this fact, the undersigned immediately sent soldiers to apprehend him at any cost. My soldiers found him in the said barrio (Palicud), but the moment he saw them, he started running to evade arrest, and the boys fired at him, inflicting serious wounds that caused his death. The cadaver was presented to the Headquarters, 3rd Bn., 15th Inf., after which, it was brought to the town of Narvacan for burial
