16 April '45

SUBJECT : Roster of Men Recommended for Recognition.
TO : The Commanding Officer, ECLGA.

1. Pursuant to the memorandum of that Headquarters, dated 10 April '45, the following men of this Regiment are recommended for recognition by the US Army.

- 1.1 Major Macario Talag is the CO., for our 3rd Battalion at Obando. He rendered valuable services to the Regiment, as well as the DHQ where he was formerly a liaison officer; active guerilla leader, he was hunted by the enemy.
- 1.2 Captain Dionisio Tangkengco, like Major Talag, rendered valuable services to the Regiment. He is always available at any time, attending sick members, furnishing medicine at his own expense. This is more true during the Jap regime when doctors, for sheer fear of the enemy or voluntary antagonistic attitude toward guerillas, refused to attend to our sick comrades.
- 1.3 Captain Angel Geronimo, CO., Company "E", 2nd Battalion. He had been an active guerilla leader, hunted constantly by the Japs. He was set to join the mopping up operations last February, but became ill at the last moment.
- 1.4 Captain Eugenio Cabral, CO., H. & Hq. Service Co., HQ., Bn. He has rendered valuable services to this Regiment as well as in guarding the HQ., at Ugong. He remained, notwithstanding the resultant ire of the men under Col. Barrion, loyal to the last to the ECLGA and has kept the morale of our men in the rural districts of Polo high.
- 1.5 1st Lt. Gregorio Marcelo, Ex-Officer, Hq. & Hq. Service Co. Same remarks as of Captain Cabral, item 1.4
- 1.6 1st Lt. Hermogenes Esguerra, Ex-Officer, Heavy Weapon Company, HQ., Bn. He has been on active full time duty since June '44, and a very valuable man to this Regiment, performing with success delicate missions.
- 1.7 2nd Lt. Francisco Bautista, operative. He has rendered valuable services in securing information and movements of the Japs; arrested, confined and tortured by the Japs at the Far Eastern University Garrison from 10 to 31 December '44
- 1.8 2nd Lt. Abelardo Anselmo, Platoon leader, "B" Company, 1st Bn. He rendered services in the training of the men during the Jap regime.
- 1.9 2nd Lt. Delfin Feliciano, Operative. He has rendered valuable services in ~~facilitating~~ enemy raids in the poblacion by enabling wanted men to leave before the enemy arrived.
- 1.10 2nd Lt. Jose Tragano, Operative. Same remarks as item 1.9
- 1.11 2nd Lt. Claro S. Ong, Operative. Same remarks as item 1.9
