SUBJECT: Processing of the 1st Pang Regt

TO : All Bn & Unit Commanders, I PR

1. It is desired and directed by the Commanding Officer that you must now rush up the perfection of all pertinent papers for your respective men. And as soon as you find them ready, send them immediately to the RPD.
2. The RPD has lately given us a call for the men to be processed by them from this regiment. Up to the present time, very few have reported for processing. It is instructed that you should take immediate steps to have your men processed. We have been given ample time to prepare our papers and the RPD sees no reason why we could not as yet report for processing this time, now, especially so the Christmas is over.
3. It is expected that immediately upon receipt of these instructions, there will be plenty of your men presenting themselves for processing.
4. Lt Baffort instructed that even Officers could now be processed.
5. For your information, guidance and immediate compliance.
