"B" Co., FIRST BATTALION, FIRST INFANTRY REGIMENT  
Office of the Commanding Officer

3 February 45

SUBJECT: Birni-la-loyao Campaign

TO : CO, 1st Bn., 1st TR.

1. Message No. 2 dated 31 January 45, issued by CO, 1st Bn. 1st TR., received at 0955 instructing me to organize a detachment and to re-inforce Co. "B" against the Japanese west of Sapan. At 10:00 o'clock I moved out from Bn. HQ. with 17 carbines, one (1) Japa nose rifle and twenty-eight (28) men. So many men were armed with holes.
2. At Dangayon, overtook Capt. Gihuyan at 11:00 o'clock. We studied the situation and made our plan in connection with our mission.
3. At 12:00 o'clock noon moved towards Sapan. Four (4) scouts were sent out at intervals of forty (40) yards each, main body moving in squad column formation.
4. Crossed Sapan and Pantol rivers. At 15:00 o'clock our scouts contacted the enemy at So. Rismula-loyao and immediately fired at them by the Japs. I deployed my men to suit the situation. It was observed that rifles and MG were firing towards our direction. It is believed that they have around 200 weapons. I returned fire. The seven (7) armed men of "B" Co., were held in support. The hole men were placed behind. After the Japs ceased firing, I ordered the men to lie low and to watch movements of the Japs. After 30 minutes it was observed that the Japs were retreating or withdrawing their men.
5. At 16:00 o'clock, Lt. Ablan came to me and reported that there are no more Japs. I sent Pfc. Andaya and Sgt. Pasala to re-verify the findings. The scouts and Lt. Ablan came back to me and reported that the enemy already left. I ordered another 30 minutes observation of the enemy movements.
6. In the meantime, Capt. Gihuyan went to the rear to contact the reinforcements from Paniqui. At 16:30 o'clock, I went to the front and ordered volley fire at three (3) rounds; no answer from the Japs. I ordered another volley of two (2) rounds; still no answer. I ordered another volley fire of three (3) rounds, and still no answer. We advance five (5) yards. I ordered another volley fire of two (2) rounds. We were five (5) meters away from the fox holes of the enemy and they immediately fired at us. I ordered all men down and to hold the line. We answered all fires. We silenced the enemy but at 16:45 Pfc. Andaya was hit. At 16:47, Pfc. Saranillas also of "B" Co., was hit. Lt. Ablan stood up and continued advancing. He fell just five (5) yards from his post. He shouted "B" Co., I am hit." and bless me, Fall then."
7. We wanted to withdraw, but at that moment it would mean destruction. I commanded the rest of my boys to hold their lines. I tried to contact for reinforcements, but none came. I wanted to get
