Dear Sirs,

With reference to Churn Drill blast hole costs of 420 Nancy, under Waste Stripping, we note that a figure of ₱148.94 for explosives has been included.

We are unable to understand the reason for this, and we should appreciate your advice in this connection.

Incidentally, the total allocation of Churn Drilling over <sup>PROSPECTING</sup> Underground Mining, Shovel Pits and Waste Striping exceeds the total costs as shown in your Churn Drill Statements; namely: ₱8,733.37 by the above sum.

Yours faithfully,
