MANILA, *January 17, 1933*

**MEMORANDUM**

No. 5, s. 1933

**ATTENDANCE AT VACATION NORMAL SCHOOLS**

*To Division Superintendents:*

Vacation normal schools will be held at Baguio, the Philippine Normal School, the Philippine School of Arts and Trades, the Iloilo Provincial Normal School, the Cebu Provincial Normal School, the Cebu Provincial School of Arts and Trades, and the Zamboanga Provincial Normal School during the 1933 long vacation, since it is believed that the closing of these schools would be unfair to a large number of teachers who have been taking vacation courses for several years and are especially desirous to continue improving and raising their educational qualifications. However, it is requested that every teacher be informed that, in view of the present financial depression, attendance at a vacation normal school shall be entirely voluntary on his part.

"S i r :

"In view of the political and partisan issues that have developed in connection with the discussion of the Hare-Hawes-Cutting Law, this Office has deemed it necessary to call the attention of all officials and employees in the classified and unclassified service of the Bureau of Education to the fact that participation in the public discussion, oral or written, of the issues developing from this law constitutes a violation of Civil Service Rule XIII.
