UNITED STATES FORCES IN THE PHILIPPINES  
SEVENTH MILITARY DISTRICT

District Intelligence Office

Subject: COMENDATION

15 July '48

To : All Intelligence Officers and Men

1. Quoted hereunder is a portion of a personal letter to the District Commander written by Brig. Gen. C. A. Willoughby, AC of S, G-2 of Gen. Douglas MacArthur.

"In a general way your intelligence reports ..... are considered very efficient, lucid and of a high order. Keep up the good work."

2. Tribute is paid to the Field Intelligence Officers, Non-Commissioned Officers, Enlisted men and Operatives who all make possible the rendering of intelligence reports by this District. Intelligence reports are almost merely a mechanical process when good information and data are received from the field. The AC of S, G 2, 72nd Div. and 73rd Prov. Div. deserve special mention for special efforts exerted in helping DIOTMD in GHQ Intelligence.

3. Our efforts should be redoubled to meet the increasing new requirements. Let us not dream of past work well done but plan for present and future work to be accomplished in excellent fashion.

By order of Lt. Col. ABCEDE:

*Rodolfo R. Reyes*  
RODOLFO R. REYES  
Major, Infantry
