VI. GRAVE REGISTRATION: To be submitted later.

VII. PRISONERS OF WAR: None.

VIII. STRAGGLERS: None.

IX. MORALE: Very low mainly due to the common talk that the guerrilleros were just mere "DAGYAO". IM and some officers went on AWOL for the simple reason that they were just mere figurehead in this organization (DAGYAO). Daily IM goes on AWOL and so far this Battalion is at a loss to say that the strength was lessened due to this talk and tid-bits. Another reason is that the supplies of this Battalion is not well taken care of by Officers concerned and officers of Higher Headquarters. Initiative were taken and everything was done to solve this problem but so far the IM are not still contented with what is given them. There is rice but Men doesn't live b rice along, it has to be sufficed with other food stuffs and something for a change in diet. However though there was a scarcity of foodstuffs in this area some IM have not lost their hope in as much as they were given some "DARGADAS" and some sorts that maintained their pride and integrity before the eye of the public.

X. CIVILIAN POPULATION:

Morale of civilians in this Area specially San Carlos, has been lessened mainly due to the confiscations of Army property especially clothing and that sorts, wherein they were complaining that this thing could be happened because what they were wearing were bought or exchanged by them with their last money or last grain of rice in order to be sheltered from heat and cold. However, with the different allied victories in all front and several landings in all cases. To those civilians who have given their lives for the Cause "MAY THEY REST IN PEACE".
