SUBJECT : Appeal for Help

To : The President  
Civil Affairs Committee  
Moalboal, Cebu

1. The help that you have rendered to this organization since the start is already recorded in the pages of our history in the struggle for freedom.

2. You must have, by this time known the movements of our soldiers to the places nearer the enemy. Our units now in the foxholes facing the enemy are practically devoid of decent clothing and food, yet we are fighting despite these privations for the good of everyone.

3. I, therefore, request you thru your benevolent patriotic organization to please help us feed our boys in the firing line. In this connection, if there is anything you can spare for our starving boys we would appreciate it if same be sent over direct to Lt. Paglinawan at Bolocboloc, Barili who will in turn send it to the 1st and 2nd Battalions of this command who are fighting the enemy.

4. This maybe our last fight in the struggle for liberation and maybe your last help; we hope you can make the best of it for which we will never forget when our turn comes.

5. Inform the parents, wives, and children of the soldiers that their sons, husbands and fathers are alright in the front; that they will be coming back home victorious at the end. Include us in your daily prayers.

GOD BLESS US ALL

PRESIDENT Ladies Loyalty League  
87th Infantry, Cebu Area Command  
(Thru Commanding Officer, 87th Inf, CAC)

Dear President:

At last the time has come when all our anxieties for patient waiting of our aid has come to an end. Ah! they are here now. The Americans has assured and General McArthur has returned after he has promised to the Filipino people that he shall return. Our beloved President Sergio Osmeña has returned also side by side with our outstanding General Carlos P. Romulo. Surely they have done their best in this war which nearly coming to an end, to a bitter end of the axis powers.

Now, that our liberators are in our soil, to save us from the deadful claws of the Japanese, we should be more than happy to receive them, to serve the, because it is in their hands that the real peace and tranquility of the Philippines could be enjoyed by the the Philippines.

Now, may I remind you to double your cooperation for our Army in the sense that we want to receive the Allied Forces with open hands. We have planned to give a swell reception for them, by giving them a VICTORY BANQUET. A banquet which is the common preparation of Filipino food stybe. But the questions now arise. Who are going to serve them? Where will the sources of foodstuffs come from? Undoubtedly we can answer these in this way. The Filipino helping hands are ready to welcome them; and the Filipino style of food preparation, which are given by the loyal Filipinos, are to be served to them.

IN THIS CONNECTION, I should like to request you again to prepare any kind of food preparation which you think are typical Filipino delicacies which would satisfy our visitors and to the end comes up in VICTORY'S HOUR.

MAY GOD ALMIGHTY BLESS US ALL.

Acknowledge receipt of all the beautiful donations you had so patriotically contributed.

In thus acknowledging same, it is a happy thing to inform you that the soldiers who have received your donations are extremely gratified for such a noble act. They simply cannot express their utmost joy upon receiving their share of the donations.

Your patriotic act is unequalled. It will stand out as a real monument of solidarity for the ultimate victory of the USPIF. It cannot be otherwise. Your donations to our soldiers are sunshine in a cloudy day.

Thanking you for this particular benevolence. As Commanding Officer of this regiment I wish to extend to you and to the members of your unit individually my sincerest thanks and those of our soldiers who now join me extending the same. Keep on the good work until victory is ours.

Dear Mrs. Estimo:

In the request for cakes for the Regimental Staff I had in mind to include the 3rd Base Hospital as one of the recipients of our Christmas presents.

The cakes which were sent first were given to the members of the Regt'l Staff in Manila as they were there that time (They were not in Manila on the 24th) The Co 87th Infantry, the RS-2, etc rec'd their gifts. Your lot falls to the Base hospital.

Although your donation was labeled Regimental, I also believe that you will not oppose to giving it to the hospital. To my understanding the hospital is a part of ~~this~~ the 87th Infantry Regiment.

According to information Capt. Tejong was the host of many visitors, and most of them were officers of the Army. Your cakes were shared by many and the captain sends his acknowledgement because of the ~~high~~ greatness of your heart and thanks for your generous presents.

Very sincerely,

THE REWARD OF KINDNESS

It was the birthday of Miss Gonzales, a teacher in one of the elementary schools. The pupils had presents for this teacher whom they liked very much. The children were talking about their presents.

I have a nice handkerchief which my sister embroidered for me. That will be my gift to Miss Gonzales" said Marina.

"My gift is this beautiful autograph album," Lilia said as she held up a green and pink book for autographs.

"I think she will like this," said Rita as she showed a box of chocolates wrapped in bright red cellophane. Each one showed a gift for their teacher and each one was happy thinking of the gladness which their presents would bring to her. Did I say each one showed a gift? There was one who had nothing to show. In one corner of the yard stood a
