DIVISION OF LAYTE
Tacloban, June 25, 1935

Respectfully returned to the Supervising Teacher for Biliran. It is regretted that the Supervising Teacher has failed to make his information in the second paragraph definite enough to guide this Office as to just what action to take on the request of the Supervising Teacher herein. He should have stated just how many pupils were in attendance in Grades III&IV. The Supervising Teacher should also have stated how many pupils applied for enrolment on this school year. The word "poor" is a relative term. The arrangements made by the Supervising Teacher of assigning the Balaquid teacher to the Central School are approved temporarily pending the receipt of the information desired above.

These papers should be returned at an early date.
