6th Indorsement

OFFICE OF BN. COMDR., 1ST BN., 107TH INF. REG'T. 1/14/'43
To : The Regimental Commander, 107th Inf. Reg't.

I deliberately omitted the subject referred to in the next preceding indorsement inasmuch as it has no bearing at all with my duties. Moreover, Mr. Juan de Leon is not the offended party if there was really a crime committed. But for the satisfaction of Mr. de Leon, however, I am attaching a joint affidavit signed by Hilarion Gomolon and myself.

PETRONILO RUIZ
Capt. Inf., PC-USFIP
Bn. Commander

Attached to the 6th Indorsement:
Joint affidavits signed by:
Hilarion Gomolon and
